Sir,

In continuation of this office letter No.C.269-14, dated 5th January 1920, regarding the opening of a Maternity at Nanjangud, I have the honor to forward herewith a copy of letter No.D2-Dis.411, dated 13th January 1920, received from the President of the District Board, Mysore District, and a copy of the Board's Resolution agreeing to bear its share of the initial and recurring charges of the institution.

I request that you will kindly obtain sanction to the opening of the maternity at a monthly cost of Rs.277, against Rs.268½/- stated in my letter of 20th June 1919, the extra Rs.8½ being due to a sex-allowance of Rs.5/- since sanctioned for Female Compounders by G.O.No. 0.7653-65/Med93-18-8 dated 20th September 19 and Rs.3½/- being added under Country Medicines, as the prices have gone up and Rs.5 a month or Rs.60 a year will not be sufficient to cover the cost of country medicines.

As usual, the cost on account of Europe Medicines and pay and sex-allowance of the lady medical officer in charge will be met by this department and the remaining items of the monthly cost and cost of initial supply of furniture, bedding, clothing will have to be ordered to be paid by the District and Municipal Boards in the same ratio as in the case of the L.F. Dispensary.
